Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Dear Sirs:

DECLARATION UNDER 37 CFR §1.131

1. I, Glen Schult, am an experienced technical designer. I have significant experience in generating design drawings using computed aided design (CAD) applications. The generated drawings can be used to manufacture the components in the drawings.
2. I have a longstanding business relationship with Alan Reid spanning over five years.
3. It is our standard business practice for Alan Reid to provide me with a prototype from which I generate design drawings. It is my understanding that Alan Reid uses the drawings I generate to have the components manufactured.
4. In an E-mail on July 31, 2003, shown in Exhibit A, I sent the design drawings in Exhibit B to Alan Reid.
5. I have a specific recollection that the drawings generated in Exhibit B were generated from a prototype provided to me by Alan Reid.

Application No. 10/712,600

Docket No. MMED-002AUS

6. All of the acts referred to herein took place in the United States.

7. All of the statements made herein are of my own knowledge and are true, these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment or both, under § 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of the application and any patent issuing thereon, or any patent to which this verified statement is applied.
